MYLES GILLARD

I'm a dedicated and adaptable developer with a passion for building high-quality programs and interactive experiences. I have a background in game development but have reasonable experience in multiple other computer based fields. My technical versatility comes from hands-on experience with:

Languages: **C#, C/C++, Python, JavaScript, HTML, CSS, Jinja2, SQL**

Frameworks: **.Net, Django, Flask**

Engines: **Unity, Unreal**

Software: **Git, Maya, Blender, Photoshop, GIMP, Krita**

I have proven success in leading small-scale productions and workflows in an Agile framework, responsible for project management, meeting deadlines, and collaboration between teams.

My professional skills are highlighted by my exceptional communication, teamwork, and analytical skills honed in deadline-driven environments with a focus on achieving KPIs and delivering high-quality results.
